

ASSOCIATE OF GENERAL STUDIES

Program Code: General Studies-AGS
This program can be completed 100% online.

Program Description

The Associate of General Studies (AGS) degree at TMCC is designed as a non-transfer degree for students who desire a well-rounded education for personal interest or further academic and/or career goals.

Student learning outcomes for the Associate of General Studies degree are determined by the student's chosen academic and/or career emphases.

Semester Total	15
Total Units	60

¹ See approved General Education list for the AGS Degree. (<https://catalog.tmcc.edu/degrees-certificates/general-education/ags/>)

² Great latitude is allowed in the selection of the 27 elective units. Choice of units can focus on one area alone or from any combination of career, technical or general courses. Developmental courses (numbered less than 100) cannot be applied to any degree or certificate.

Program Requirements

The AGS degree is generally a non-transfer degree that is designed for students to enter the workforce.

To earn an AGS degree, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)
2. Complete a minimum of 15 units within the college.
3. Satisfy General Education requirements for the AGS (<https://catalog.tmcc.edu/degrees-certificates/general-education/ags/>).
4. Have no financial or library obligation to the college.
