

# MASSAGE THERAPY ENTREPRENEURSHIP, BUSINESS, AAS

## Program Code: Massage Therapy Entrepreneur-AAS

**Note:** This degree/certificate leads to professional licensure in Nevada. Licensing requirements vary by state/territory and relocating could impact whether you will meet eligibility requirements for licensure. If you do not live in Nevada and/or do not intend to seek employment in Nevada, then your application for admittance will be under review to determine eligibility for licensure in your state prior to acceptance into the program. Please visit our Professional Licensure Programs (<https://www.tmcc.edu/vpaa/professional-licensure-programs/>) page for full details on the State Authorization Reciprocity Agreement.

## Program Description

The Associate of Applied Science, Business, Massage Therapy Entrepreneurship is a useful two-year degree in which you will undertake a broad spectrum of entrepreneurship and massage related classes that will provide you with a strong foundation of business knowledge in order to prepare you to start your own business ventures. The required massage courses follow the guidelines established by local Nevada ordinances. Students completing the TMCC program will be eligible to take the national certification exam and also will be eligible to join either of the two nationally recognized professional organizations: American Massage Therapy Association (AMTA) or Associated Bodywork and Massage Professionals (ABMP).

## Program Requirements

AAS degrees are generally non-transfer degrees designed for students to enter the workforce.

To earn an AAS degree, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)
2. Complete a minimum of 15 units within the college.
3. Satisfy General Education requirements for the AAS (<https://catalog.tmcc.edu/degrees-certificates/general-education/aas/>).
4. Have no financial or library obligation to the college.
