

CAREER AND TECHNICAL EDUCATION, SC

This program can be completed 100% online.

Note: This degree/certificate leads to professional licensure in Nevada. Licensing requirements vary by state/territory and relocating could impact whether you will meet eligibility requirements for licensure. If you do not live in Nevada and/or do not intend to seek employment in Nevada, then your application for admittance will be under review to determine eligibility for licensure in your state prior to acceptance into the program. Please visit our Professional Licensure Programs (<https://www.tmcc.edu/vpaa/professional-licensure-programs/>) page for full details on the State Authorization Reciprocity Agreement.

Program Description

The Career and Technical Education (CTE) Skills Certificate provides training for those who are interested in teaching Career and Technical courses at 7th-12th and post-secondary career training. The CTE Skills Certificate courses are designed to provide a foundation of teaching methodology, assessment, and leadership. The courses in the skills certificate meet the Nevada Department of Education CTE and Business and Industry (B&I) training requirements. Program courses apply toward the Bachelor of Applied Science in Career and Technical Education Leadership program.

This program is not eligible for financial aid. However, it may be eligible for scholarship funding if the student is awarded scholarships.

Semester Total		6
2nd semester		Units
EDCT 403	Career and Technical Education and Workforce Leadership	3
EDCT 439	General Methods of Teaching Career and Technical Education	3
Semester Total		6
Total Units		12

Special Admission Requirements

Admission to the SC, Career and Technical Education Leadership requires an associate's degree from a regionally accredited institution.

Program Requirements

Skills Certificates can consist of a single course or a short set of courses that provide training for entry-level positions or career advancement.

These short-term certificates may also prepare students to take state, national and/or industry-recognized certifications or licensing exams.

Skills certificates are awarded upon completion of coursework and marked on a student's transcripts at the end of the semester. Students cannot declare a skills certificate as one's major. Skills Certificates are not eligible for Financial Aid.

To earn a skills certificate, students must:

1. Maintain a minimum cumulative GPA of 2.0.
2. Have no financial or library obligation to the college.

Code	Title	Units

Total Units		12

Program Outcomes

Students completing the certificate will:

PSLO 1: Correctly define the purpose of career and workforce education in secondary and post-secondary education and industry training programs.

PSLO 2: Develop rubrics designed specifically to assess student performance in the classroom or in the workplace.

PSLO 3: Analyze techniques for conflict resolution and apply them to teaching and workplace situations.

PSLO 4: Select the resources and instructional items for specific learning needs or outcomes to be implemented in the classroom or workplace to promote student learning and success.
