

COMMUNICATION STUDIES, AA

Program Code: Communication Studies- AA

**This program can be completed 100%
online.**

Program Description

The Associate of Arts, Communication Studies is designed for students seeking careers in the communication field and for those who hope to enhance their employment potential. The degree requirements include general education courses that help students gain a breadth of knowledge in a wide array of disciplines. Students will also focus upon theoretical, methodological, and practical application of communication in the public and private sectors. The course of study is designed as a university transfer degree or for students wishing to enter the workforce in entry-level positions. The Associate of Arts degree is fully accepted at any four-year institution in the NSHE system and is fully transferable to most four-year schools in the nation.

- ³ For a list of transferable electives, please consult with Academic Advisement.

Program Outcomes

Students completing the degree will:

PSLO1: Understand the theories and methods used by communication experts.

PSLO2: Integrate fundamental principles of the communication studies discipline, including: the contextualization and application of communication theory, the utilization of critical thinking, the demonstration of interpersonal communication strategies, the participation in effective groups, the integration of information literacy, the construction of well-developed communication messages, the demonstration of strong listening skills, and the interpretation of nonverbal communication.

PSLO3: Conduct research, analyze data, and develop written reports on specific topics within the communication studies discipline.

Transfer Agreements

AA/AS degrees are designed for students who plan to transfer to a four-year college or university. General information about general transfer agreements can be found on the Academic Advisement website (<https://www.tmcc.edu/advisement/transfer-students/transfer-agreements/>).

Students who intend to transfer to another college or university should speak with a TMCC Academic Advisor and consult with that institution.

The transfer institution determines how TMCC courses will transfer.

TMCC has agreements with the following institutions towards a bachelor's degree in the same or similar discipline.

- **University of Nevada, Reno**
