## Program Code: Criminal Justice-AA

### Program Description

TMCC's Associate of Arts, Criminal Justice degree is designed for students wishing to explore or enter a highly rewarding career in the criminal justice system (<https://www.tmcc.edu/criminal-justice/>). It is designed as either a stand-alone associate degree in the field of criminal justice or as a university transfer option to UNR. The transfer option allows students to earn their university required lower division courses upon completion of their Associate of Arts.

Students are strongly encouraged to obtain academic advisement at TMCC for courses that are consistent with the UNR - TMCC transfer agreement to ensure a smooth transition in the university transfer process.

## Transfer Agreements

AA/AS degrees are designed for students who plan to transfer to a four-year college or university.
