

# NURSING, AS

## Program Code: Nursing-AS

**Note:** This degree/certificate leads to professional licensure in Nevada. Licensing requirements vary by state/territory and relocating could impact whether you will meet eligibility requirements for licensure. If you do not live in Nevada and/or do not intend to seek employment in Nevada, then your application for admittance will be under review to determine eligibility for licensure in your state prior to acceptance into the program. Please visit our Professional Licensure Programs (<https://www.tmcc.edu/vpaa/professional-licensure-programs/>) page for full details on the State Authorization Reciprocity Agreement.

## Program Description

The Associate of Science, Nursing Program prepares the graduate to practice as a registered nurse. The TMCC nursing program meets the minimum degree requirements for the Associate of Science degree. The Associate of Science degree in nursing is awarded upon completion of the curriculum and the student will be eligible to apply to take the NCLEX-RN examination leading to licensure as a Registered Nurse.

## Recommended Course Schedule

1st semester		Units
BIOL 190A	Introduction to Cell and Molecular Biology <sup>3</sup>	3
or	or Fundamentals of Life Science	
BIOL 189A		
BIOL 190L	Introduction to Cell and Molecular Biology Laboratory	1
BIOL 251	General Microbiology (Fast-Track) <sup>3</sup>	4
ENG 101	Composition I <sup>3</sup>	3
or ENG 100	or Composition Enhanced	
or	or Composition I for International and Multilingual Students	
ENG 113		
MATH 124	College Algebra (or higher)	3
<b>Semester Total</b>		<b>14</b>
2nd semester		
BIOL 223	Human Anatomy and Physiology I (Fast Track) <sup>3</sup>	4
BIOL 224	Human Anatomy and Physiology II (Fast-Track) <sup>3</sup>	4
ENG 102	Composition II	3
or ENG 114	or Composition II For International and Multilingual Students	
PSY 101	General Psychology	3
<b>Semester Total</b>		<b>14</b>
3rd semester		
NURS 138	Nursing Care I	7
NURS 142	Fundamentals of Pharmacology	2
NURS 212	Cultural Aspects of Nursing Care	3
<b>Semester Total</b>		<b>12</b>
4th semester		
NURS 170	Nursing Care 2	7

NURS 209	Principles of Pathophysiology	3
<b>Semester Total</b>		<b>10</b>
<b>5th semester</b>		
Humanities <sup>5</sup>		3
NURS 202	Nursing Care 3	7
NURS 102	Professional Behaviors	2
<b>Semester Total</b>		<b>12</b>
<b>6th semester</b>		
NURS 274	Nursing Care 4	7
Fine Arts <sup>4</sup>		3
<b>Semester Total</b>		<b>10</b>
<b>Total Units</b>		<b>72</b>

<sup>3</sup> After completion of prerequisite courses, students apply for admission to the Nursing Degree program.

<sup>4</sup> See approved General Education list for the AA/AS Degree. (<https://catalog.tmcc.edu/degrees-certificates/general-education/aa-as/>)

<sup>5</sup> See program recommendations or requirements.

## Special Admissions Procedures

**Program information:** 775-850-4054

The TMCC program prepares the graduate to practice as a registered nurse. The TMCC Nursing Program meets the minimum degree requirements for the Associate of Science Degree. The Associate of Science Degree in nursing is awarded upon completion of the curriculum and the student will be eligible to apply to take the national NCLEX-RN examination leading to licensure as a Registered Nurse.

Nursing program graduates are eligible to apply for licensure in the state of their choice. Each state has specific criteria for licensure eligibility. It is the student's responsibility to contact the state to ascertain eligibility requirements. Graduation from an accredited program is only one of the requirements and does not mean automatic licensure as a nurse. The State of Nevada licensure application contains five questions which may impact the applicant's ability to obtain licensure. These questions have to do with revocation, denial or suspension of a license or certificate, conviction of a criminal offense, problems with drug or alcohol use, treatment for mental illness and physical disability which could impair one's ability to practice nursing.

Nursing courses are to be taken in the sequence outlined on the following page. General education support courses may be taken as outlined or prior to acceptance into the program. However, because clinical experiences and/or theory courses may be scheduled during both day and evening hours, it is suggested that as many general education classes as possible be taken prior to acceptance into the program with the exception of required pre-requisites.

Background checks are a requirement of the clinical facilities with which Truckee Meadows Community College has a contract for nursing student clinical experience. If a student declines to provide a background check or if the background is unsatisfactory to the facility, the student will not be permitted to participate in the clinical portion of the program. Prospective students are advised that they will be withdrawn from the program if clinical requirements are not able to be met for any reason.

TMCC will not be responsible for obtaining background checks and will not receive the results of any background investigations.

A student's progression in the ADN program is contingent upon attaining and maintaining a grade of "C" or better in each course in the nursing curriculum.

## Admission Requirements

The pre-requisite courses, MATH 124 (or higher), BIOL 223, BIOL 224, and BIOL 251 must be taken prior to application for admission to the nursing program. There are additional admission requirements. Please go online for information.

## Accreditation and Regulation

The TMCC ADN program is approved by the Nevada State Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN). Students may contact the Nevada State Board of Nursing at 1-888-590-6726.

ACEN, a U.S. Department of Education recognized accrediting agency for nursing programs, maintains information on TMCC's nursing program. ACEN's address is:

3343 Peachtree Road, NE, Suite 850  
Atlanta, GA 30326

## Program Outcomes

Students completing the program will:

- Achieve a passing score on the NCLEX-RN.
- Complete the program in a timely manner.
- Be employable.

## Program Requirements

Associate of Science degrees are designed for students who plan to transfer to a four-year college or university.

To earn an AS degree, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)
2. Complete a minimum of 15 units within the college.
3. Satisfy General Education requirements for the AS (<https://catalog.tmcc.edu/degrees-certificates/general-education/as/>).
4. Have no financial or library obligation to the college.

## Required Courses

Code	Title	Units
<b>General Education Requirements</b>		
<i>English</i>		3-6
Must include ENG 102 or ENG 114 <sup>1</sup>		
<i>Fine Arts</i>		3
<i>Humanities</i>		3
<b>Recommended:</b>		
CH 203	American Experiences and Constitutional Change (Also satisfies U.S. and Nevada Constitution) <sup>2</sup>	
<i>Mathematics</i>		3

Required:

MATH 124	College Algebra (or higher)	
<i>Science</i>		[6]

Required:		
BIOL 190A	Introduction to Cell and Molecular Biology	3
or BIOL 189A	Fundamentals of Life Science	
BIOL 190L	Introduction to Cell and Molecular Biology Laboratory	1
BIOL 251	General Microbiology	4

<i>Social Science</i>		
Required:		
PSY 101	General Psychology	3

### Additional College Requirements

<i>Diversity</i>		[3]
Required:		

NURS 212	Cultural Aspects of Nursing Care <sup>2</sup>	
<i>Science</i>		[6]
Required:		
BIOL 223	Human Anatomy and Physiology I	4
BIOL 224	Human Anatomy and Physiology II	4
<i>U.S. and Nevada Constitutions</i>		[3]

Recommended:		
CH 203	American Experiences and Constitutional Change <sup>2</sup>	

<b>Degree Requirements</b>		
BIOL 224	Human Anatomy and Physiology II (additional 2 units from Gen. Ed.)	[2]
BIOL 251	General Microbiology (additional 2 units from Gen. Ed.)	[2]
NURS 102	Professional Behaviors	2
NURS 138	Nursing Care I	7
NURS 142	Fundamentals of Pharmacology	2
NURS 170	Nursing Care 2	7
NURS 202	Nursing Care 3	7
NURS 209	Principles of Pathophysiology	3
NURS 212	Cultural Aspects of Nursing Care	3
NURS 274	Nursing Care 4	7

**Total Units** **69-72**

<sup>1</sup> If you place into ENG 102 or ENG 114 you will graduate with 69 credits.

<sup>2</sup> Course may also count toward degree requirements. Please consult with Academic Advisement.

All nursing courses must be taken in the sequence listed. A grade of "C" or better is required. Other General Education courses may be taken out of sequence if allowed by college policy.

## Program Outcomes

Students completing the degree will:

PSLO1: Implement one's role as a nurse in ways that reflect integrity, responsibility, ethical practices, and an evolving professional identity

as a nurse committed to evidence-based practice, caring, advocacy and quality care.

PSLO2: Demonstrate appropriate written, verbal, and nonverbal communication in a variety of clinical contexts.

PSLO3: Integrate social, mathematical, and physical sciences, pharmacology, and pathophysiology in clinical decision-making.

PSLO4: Provide patient centered care by utilizing the nursing process across diverse populations and health care settings.

PSLO5: Minimize risk of harm to patients, members of the healthcare team and self through safe individual performance and participation in system effectiveness.

PSLO6: Collaborate with the multidisciplinary health care team to provide effective patient care throughout the lifespan.

PSLO7: Use information and technology to communicate, manage data, mitigate error, and support decision-making.

## Transfer Agreements

AA/AS degrees are designed for students who plan to transfer to a four-year college or university. General information about general transfer agreements can be found on the Academic Advisement website (<https://www.tmcc.edu/advisement/transfer-students/transfer-agreements/>). Students who intend to transfer to another college or university should speak with a TMCC Academic Advisor and consult with that institution. The transfer institution determines how TMCC courses will transfer. TMCC has agreements with the following institutions towards a bachelor's degree in the same or similar discipline.

- University of Nevada, Reno (<https://www.unr.edu/admissions/transfer/credits/transfer-agreements/>)
